State Guard Alert Slated

A practice alert will be called throughout Mississippi between Feb. 14 and 28 to test the alert and mobilization capabilities of the state's national guardsmen as "modern-day minutemen".

The local unit, 134th Transportation Co., light truck, commanded by Capt. Irvin S. Kingston, will participate in the alert. The city's sirens will blast eight times in addition to the unit's mobilization plan to mobilize and all personnel assigned to the unit will report to the local armory immediately.

Date and time of the statewide "operation minuteman" will be determined by Gov. Ross R. Barnett as commander in chief of the Mississippi guard and will be coordinated through state military communications with the assistance of the highway patrol and other news media, Wilson said. The National Guard has the primary reserve defense mission and is required to be ready to answer any type of emergency in a minimum of time, he said. This is the first state-wide test of this type in which the guard's emergency readiness and alertness will be tested.

Lakeshore Trio Face Hog Case Hearing

A preliminary hearing before Beat 5 JP Nelius Rhodes has been scheduled for between 6:30 and 7 p.m. Friday for Horace Garcia, Henry Shubert and Ole Jean Moran, all of Lakeshore, who were arrested Thursday on charges of grand larceny.

Released on bond, the three are accused of stealing some hogs from J. C. and Basil Favre. County law enforcement officials and officials from the state highway patrol are now investigating the case.

Seafood Bill Eyed

Certain aspects of House Bill 52 came under fire from interested Hancock Countyans at Monday's committee hearing in Jackson. The proposed legislation deals broadly with control and preservation of salt-water aquatic life and establishes a new nine member Mississippi Fisheries Commission to promulgate necessary regulations and supervise their enforcement.

Bay Residents' Son Briefs Ike

Lt. Comdr. Roger Boh Jr. was selected to brief President Eisenhower on the Naval Polar station at Cape Canaveral, Fla., before the President's tour of the installation yesterday.

Boh, his wife and four children are expected for a visit this summer with his parents.

Reboul is Hospital President

T. T. Reboul was elected president of the Hancock General Hospital board Tuesday night to succeed Charles Lavinghouse, new Beat 3 Supervisor. A former board treasurer, Reboul will serve until the end of the fiscal year Oct. 1.

In other matters, trustees approved an additional \$3,300 worth of equipment which was recommended by T. O. Logue, hospital administrator, for the new hospital. Logue noted the items, including a modern laboratory testing machine and a record copying machine for the office, had been approved by the medical staff.

Board Attorney Sam Favre advised that the equipment be approved by the Mississippi Hospital Commission before it is presented to the board of supervisors so that it can be purchased with federal funds allocated for this purpose.

Logue was authorized to negotiate with a pathologist from Oschner Clinic to perform tissue and detailed lab work for the hospital since the Gulf Coast facilities previously used had closed.

Chamber Erects Warning Poster

The safety committee of the Hancock County Chamber of Commerce this afternoon erected a sign warning motorists at the eastern entrance to the county to slow down with the 50-mile speed zone in the Bay-Waveland area. The sign was placed on the west-bound lane of U. S. 90 just this side of the toll bridge. Fred Quint is committee chairman.

Cue Oil Bid Wins for County Petroleum Needs

Hancock County Supervisors awarded bids on petroleum products for county equipment during the coming year to low bidder, Cue Oil Co. of Bay St. Louis, at a short meeting Monday morning while bids submitted on a truck for Beat 4 were held for further study.

Beat 1 Supervisor Charles Russ presided in the absence of Board President R. G. Hubbard Jr. of Beat 5 who was attending the state seafood commission hearing in Jackson.

Cue Oil Co. with bids of 25 cents per gallon, regular gasoline; 27.5 cents per gallon, premium; and 15 cents diesel fuel

and Dan M. Russell Jr. Russell acted as spokesman for the group, and reports that he expects the changes asked for will in large measure be made.

Census Enumerator Applicants To Take Examinations Feb. 18

Hancock County will have an opportunity to try out as enumerators for the 1960 population census when a competitive examination for applicants is conducted at 10 a.m. next Thursday, Feb. 18, at the Courthouse.

The 16-county area which includes Hancock is to have 242 census takers and 27 crew leaders for the nose counting which gets under way April 1.

Pay for enumerators in a single-stage area, requiring some 11 to 13 eight-hour working days will run about \$145 and for those in first stage areas just over \$100 for seven to nine working days. In addition, seven cents a mile will be allowed for use of automobiles. Some evening and Saturday work will be required.

Lafontaine Killed Near Pearlington

Hancock County's second traffic fatality was ruled an "unavoidable accident" in a preliminary hearing Monday night when Beat 1 JP Lester Hoyer cleared Wallace Smith of Poplarville of manslaughter charges in the death of August Lafontaine of Pearlington.

Smith was fined \$10 and costs on a charge of driving without an operator's license.

Lafontaine died of injuries received when he was struck by the Smith auto on Highway 604 two miles north of Pearlington about 9 p.m. Saturday.

Smith, one of seven witnesses called by Prosecuting Attorney Gerald Cox and Defense Attorney Joseph Benvenutti, testified that Lafontaine appeared suddenly in front of his car at the same time he was blind. A bright headlights of an approaching vehicle.

He said he stopped after hitting Lafontaine and with the aid of his two passengers endeavored to assist the man.

One of his companions stopped an auto for help, Smith testified. Lafontaine was not killed instantly but died before county law enforcement officials arrived, testimony revealed.

Witnesses said a person thought to be Lafontaine was seen on the road approximately two feet from the edge by several persons before he was struck by the Smith auto. They stated Lafontaine did not move off the road and passing autos had to swerve to avoid him.

Smith was arrested by Deputy Sheriff Gerard Freeman and Lander Necaise at the scene of the accident, and released on bond pending the JP hearing.

Services for Lafontaine were at 2 p.m. Tuesday at Riemann Funeral Home Chapel in Gulfport with religious rites at St. John's Catholic Church in Gulfport. Interment was in Evergreen Cemetery there.

He is survived by a son, David Lafontaine, Gulfport; two daughters, Mrs. Lorena Bond, Gulfport, and Mrs. Birdie Low Sample, New London, Conn.; two brothers, Charlie and John Lafontaine, Gulfport; five sisters, Mrs. Victoria Carco, Lakeshore, Mrs. Julia Trebotich and Miss Louise Lafontaine, all of Gulfport, and Mrs. Lily Garcia and Mrs. Estelle McArthur, Pearlington; and four grandchildren.

Mrs. Mauffray Succumbs, 86

Mrs. Joseph O. Mauffray, longtime resident of Bay St. Louis, died at 1:30 p.m. Wednesday at her home on Main Street. She was 86.

Services are at 9:45 a.m. Friday at Fahy-Whitfield Funeral Home followed by a 10 a.m. mass at Our Lady of the Gulf Catholic Church with interment in St. Mary's Cemetery. A semi-invalid for the past year, Mrs. Mauffray became seriously ill about 10 days ago.

The former Miss Dora Thompson, daughter of the late Mason A. and Euphrasie Neacase Thompson, was born July 3, 1873, in Pascagoula and spent her childhood at Bayou La Croix, later moving to Biloxi.

She was married to the late Mr. Mauffray Feb. 8, 1899, and came to Bay St. Louis as a bride.

Mr. and Mrs. Mauffray celebrated their golden wedding anniversary in 1949 and renewed their vows at a nuptial mass at Our Lady of the Gulf church. Before his death in 1953 Mr. Mauffray operated a hardware and mercantile store for many years. He served as president of the Merchants Bank and Trust Co., city alderman, and president of Peoples Federal Savings and Loan Association. At one time he was state deputy

Gold Jays, Hawkettes Advance in B-BB Play

St. Joseph Academy and North Central's girls won their games last night in the opening round of the sub-district B-BB tournament at North Central, the Gold Jays giving St. Joseph of Pass Christian a 33-11 shellacking and the Hawkettes routing McNeil 33-26.

Tonight at 8:30 the Gold Jays meet highly rated Savannah and at 6 p.m. Friday the Hawkettes meet the winner of Pass Christian High - St. John. North Central's Hawks, top seeded in the boys division, will not see action until 8:30 p.m. Friday when they meet the winner of Pass Christian - St. John which game is set for tonight.

Mary Jo Krieger was high scorer for St. Joseph's Academy with 14, Elizabeth Krieger got 13, Cathy Rhodes 3, Judy Favre 2 and Captain Frankie Matherne 1.

Junior Chamber Or the Jaycees Is Question

The Bay St. Louis Junior Chamber of Commerce will vote on a proposed change of name to the Bay St. Louis Jaycees when it meets at the Youth Center at 6:30 p.m. Wednesday. The group also proposes to set its semi-annual elections back one month and change the time of the bi-weekly membership meetings from 6:30 p.m. to 8 p.m. Another plan is to up the associate member annual dues from \$7 to \$10.

Representing the local unit at the state winter board meeting in Biloxi last weekend were president Mike Haas, E. J. Matherne, Robert Lader, Norton Haas Jr., Tom Logue and their wives. At the Saturday session, state representatives voted unanimously to change the name to Jaycees to avoid confusion with the Chamber of Commerce. It was pointed out there never has been any connection between the two organizations.

DOCTOR AND PATIENT - Dr. Herma Firsching of Nauheim, Germany, chats with Father Anthony May of St. Augustine Seminary, her former patient when Father May was in Rome in 1957. Dr. Firsching is spending some time here before returning to Germany.

European Heart Specialist Visits

This is a long way to come back on a patient," laughs specialist Dr. Herma Firsching of Bad Nauheim, Germany, who is visiting in Bay St. Louis while touring the United States this winter.

Firsching refers to Anthony May, provincial superior of the Southern Province of the Society of the Divine Word, who was treated under Dr. Firsching's supervision at the nationally famous baths at Nauheim.

Making a charming mixture of English and German, Dr. Firsching explained with the aid of Father May, who acted as interpreter, that the Germans use baths to improve body circulation and the workings of heart muscle.

The oxygenated spring water at body temperature when the capillaries of the heart are at work, Dr. Firsching said, from his own experience, that the waters in such a bath becomes a bright red.

Dr. Firsching met Father May in 1957 in Capri where he was suffering from partial paralysis. He was advised to try the baths and he improved so much after two seasons at Bad Nauheim that he was able to return to the United States.

Very interested in the new heart operations being performed at Oschner Clinic in New Orleans, Dr. Firsching said she hoped to observe some of the operations while she is staying in Bay St. Louis.

She is staying at St. Joseph Academy and has been helping Father May with his work at St. Augustine's Seminary. She plans to leave for California at (Cont. on Page 6.)

Port Fund Mass Opens

Those are moving along about the county for the fund drive conducted in February, according to C. R. Beyer, chairman. The goal is \$1,200 this year. Mrs. Beyer has high hopes of topping quota as on several occasions, through support of efforts to stem the tide of deaths. The fund drive is scheduled for Sunday when Bay High students are asked to assist with a door solicitation while the Waveland Home Demonstration will handle the canvass community.

If Better, Still Bad

Many objections could be made to Gov. Ross Barnett's proposal for a Mississippi Fisheries Commission as embodied in House Bill 52, on which a hearing was held Monday. Several Hancock Countyans attended the hearing and it is possible some of the bad features of the bill will be eliminated as a result of their and others' protestations.

As introduced, Section 4 of the bill provides for a commission of nine members from the three coast counties and that no county shall have less than two members, EXCEPT in his discretion the governor, FOR ANY REASON, can find that a county has no suitable individuals and may then fill the vacancies from one of the other two counties.

The same section further provides that "full power is vested in the commission to manage, control, supervise and direct any matters pertaining to all salt-water aquatic life", which power is further set forth, without material qualification, in Section 6 of the proposed bill.

Section 4 further states that all members of the commission must be "experienced, active, and qualified persons who are engaged in or interested in the SEA FOOD INDUSTRY AS A MEANS OF LIVELIHOOD".

Except for the possibility that the proposed legislation is superior to our present law on the subject and the commission that administers it—at best damning with faint praise—Section 4 for three reasons is alone sufficient reason for defeat of the bill: the delegation of authority, basically legislative, is too broad and is probably unconstitutional; the governor could appoint all commission members from one seafood company and their terms would last well into the next governor's administration; and, who would recommend that rates and regulations for railroads should be set by a commission composed entirely of presidents and other officers of railroads.

It Could Happen Here

Reprinted at the bottom of this page is a graphic illustration of what new manufacturing businesses usually mean to a community. The survey on which these statistics are based was conducted by the Economic Research Department, Chamber of Commerce of the United States. Nine counties, eight of them in eight different Southeastern States including Louisiana and Alabama, were used in the research.

All nine counties met four criteria in common; manufacturing employment doubled between 1940 and 1950, manufacturing employment was the major employment change during those ten years, manufacturing employment accounted for 20 per cent or more of jobs in the county and the county was not a part of a metropolitan area. In addition some counties were excluded from the survey because of seasonal or other unusual employment factors.

While statistics are frequently misleading, and while Hancock County does not meet the criteria of the nine counties used, this editor feels that these statistics reasonably depict what Hancock County could expect from increased manufacturing employment within the

DAIRYING

For successful dairying in Hancock County in 1960, here are some suggestions: Keep records on each cow and cull out all unprofitable producers from your herd.

Feed according to milk production. Feed one pound of grain for each three or four pounds of milk produced.

Enroll in a dairy herd improvement association.

Plan adequate acreage to produce all the hay and silage your cows will eat. If you have the available acreage, plan to grow some corn and oats to provide a portion of the concentrates needed.

Bay Business Strides Ahead

The Biloxi-Gulfport district ended 1959, the most prosperous year ever, with December business activity six per cent above the level of December, 1958.

At year's end, the district registered 258 on the Business Research Station's index, according to the current issue of The Mississippi Business Review, Mississippi State University.

On Dec. 31, business in the district had gained 158 per cent of the 1947-49 average. In Biloxi, business had increased to 179 per cent above the 1947-49 level. Gulfport ended the year with business up 156 per cent above the base period there. Bay St. Louis was up 105 per cent; Pass Christian, up 64 per cent; and Piquette, up 85 per cent.

Deaths

Frank J. Cassidy

Frank J. Cassidy, 62, of Breath's Lane, died at 7 a.m. Wednesday at the Veterans Administration Hospital in Biloxi. A veteran of World War I, he was born in New York City but had resided here for about 20 years.

Surviving are the widow, the former Miss Ann Bly of New Orleans, a daughter, Mrs. James McConnell Jr. of Lafayette, La., and a granddaughter.

The body was sent to New Orleans for Catholic burial in Greenwood Cemetery there.

Mrs. William Marson

Services were Feb. 5 in Kiln for Mrs. William Marson, a native of Hancock County who died Jan. 27 at Crosby Memorial Hospital in Piquette where she had been a patient for nine weeks.

She is survived by a son, Arthur Marson of Kiln; three daughters, Mrs. Rowena Necaise and Mrs. Louis Craddock, both of Kiln, and Miss Beulah Marson of Piquette; a brother, Richmond Smith of Piquette; and two granddaughters.

Burial was in Bayou Coco Cemetery.

Gaston J. Garriga

Final rites were at 11 a.m. Saturday at Fenton Catholic Church for Gaston J. Garriga, 64, a native of Hancock County and resident of the Gulfport area for the past 20 years, who died at 11:30 a.m. Thursday at Gulfport Memorial Hospital.

He is survived by two brothers, Ana Garriga and Walter Garriga, Gulfport; five sisters, Mrs. C. D. Mauffrey, Fenton, Mrs. Emma Ladner and Mrs. Pearl Hennessey, Gulfport, Mrs. Mae Dedaux, Pass Christian, and Mrs. Myrtle St. Amant, New Orleans.

Burial was in the Fenton Sand Hill Cemetery.

Mrs. Eberhard

Services were Saturday in Gulfport for Mrs. Ruby Inez Goff Eberhard, 71, a resident of Long Beach and former patient at Gulf View Haven, who died Thursday night at Hancock General Hospital where she had been a patient for five weeks.

Survivors include four brothers, Gordon Goff, Kreele, Nollie Goff, Wakefield, Ind., Claude Goff, Lucedale, and Emmett L. Goff, Moss Point; and two sisters, Mrs. W. C. Roberts sr., Vancleave, and Mrs. Roy Goff, Lucedale.

Interment was in the Long Beach Cemetery.

Mrs. C.W. Rostrop

Final rites took place Tuesday morning in Algiers, La., for Mrs. Charles W. Rostrop, 47, daughter-in-law of Mr. and Mrs. John Commers of Waveland, who died Monday. She was the former Elvira Louis Sutherland.

King Cake Fete Is at Haywards

A King Cake Party held recently at the home of the Queen, Clarine Hayward's grandparents Mr. and Mrs. W. C. Hayward sr., on Beach Blvd. was enjoyed by the younger set.

J. W. (Dubbie) Price was Clarine's king.

Among the guests were Lydia Dillman, Margie Byrd, Carol Ann Ziegler, Kathy Martin, Carolyn Damiers, Linda Wimshish, Aaron Brensike, Shelton Bourgeois, Forrest Bourgeois, Ronnie Ferrell, Louis Ferrell, Jimmy Ladner and George Hoffman.

The picnic was drawn by Shelton Bourgeois who chose Lydia Dillman for his queen. The next party will be held at Shelton's home.

Dimes Benefit Set

A coin walk for the benefit of the March of Dimes is scheduled to begin at 8 p.m. Friday at the Kila Youth Center.

County HD Dress Review Slated at Clermont Harbor

The dress review sponsored by the Hancock County Council of Home Demonstration Clubs was set for April 8 when the council met last Friday at the home agent's office in Bay St. Louis with Mrs. J. P. Rousseau, presiding, in the chair.

The show will get under way at 1:30 p.m. at the Clermont Harbor Civic Assn. building (the old school house) on Forrest Avenue with Mrs. Katherine Eccols as chairman.

Mrs. George Weigel from the Waveland Home Demonstration Club accepted the chairmanship for the vegetable and flower show with Mrs. J. Wilkerson as co-chairman.

Mrs. Marcia Hughes, home agent, asked club officers to attend training meeting in Gulfport from 9:30 a.m. to 3:30 p.m. Thursday, with anyone wanting to go to call her office.

Announcement was made that the Waveland club is trying to

St. Joseph Jottings

BY JEANIE LING

Baby Jays were in the county tournament at Gulfview last week and came in second.

Gold Jays won the game they played with Harrison Central last Thursday night. They took part in the District Tournament which began Wednesday night at North Central.

Saturday night a social dance was given at St. Stanislaus for the SJA and SSC students.

A doll show was given by the grammar school Monday after- noon. Admission collected was given to the missions.

The seniors are raising money for their trip in various ways. A benefit show will be given Wednesday afternoon, Feb. 17, and they will give a valentine dance Saturday night in the SJA gym.

Girls taking part in the enter- tainment for the Carnival Ball at St. Joseph are Judy Copponex, Patty Babin, Susan French, Kathy Heath, Bettye Noto, Sylvia Murphy, Angele Camors, Eileen Plunkett, Dianne Suenenau, Anita Giani, Diane Taylor, Peggy Lamb, Louise Bufkin, and Mel-anie Vassalli. These girls are in the St. Joseph's dance.

Girls having solo parts are Judy Copponex, Patty Babin, and Wynn Heath.

KC Notes.....

K. of C. Carnival Dance has been set for Saturday, Feb. 27. This will be a masquerade and following the annual custom prizes will be awarded to the best masked couple and individ- ual.

The grand ball of the 4th De- gree Assemblies of the Missis- sippi Jurisdiction will be held in Jackson next Saturday, Feb. 20. Latest reports indicate a large group from the Bay St. Louis Assembly will attend.

Exemplification of the 1st, 2nd and 3rd Degrees will be held Feb. 21 at the new Council home in West Jackson.

Captain Moran on Winter Exercise

Army Capt. Ray R. Moran, 33, son of Mr. and Mrs. Sylves- ter S. Moran of Kilm, partici- pated with other personnel from the 3d Armored Division in Exer- cise Winter Shield at the Grafe- wohn-Hohenfels training area in southern Germany which ended Feb. 7.

Captain Moran, who arrived overseas in May 1958, is a re- connaissance-flight commander in the division's 503d Aviation Company in Hanau. He entered the Army in September, 1951. Moran is a 1945 graduate of Poplarville High School and a 1951 graduate of Mississippi State College. His wife, Jean, is with him in Germany.

Happy birthday to Eugene Monti and Lionel Seller. Gene celebrated on Feb. 6 and Lionel on Feb. 9.

We are most happy to learn that Mayor John Scaife is doing very well after major surgery in New Orleans. Our sincere wishes for a speedy recovery.

R. C. (Mammy) Hubbard is back at work after a brief illness last week.

Plans and specifications for renovation of the K. of C. Home were submitted at the last regular meeting and were accepted. A letter is being circulated to the membership advising that the bids will be confined to the mem- bers and any interested parties may obtain specifications from the grand knight, J. T. McCaleb, and file his bid on or before Feb. 29. Please read your letter carefully.

We are happy to note there was a noticeable increase in at- tendance at Communion on last Sunday.

Holy Name Communion Sun- day will be at Our Lady of Gulf Church on Sunday, Feb. 14.

Wallace Bontemps has called a special meeting of the Degree Team for today.

The home is open every Wed- nesday and Sunday night with special attractions for guests. Edward Murtagh and George Heitzmann attended the regular meeting of the Pass Christian Council Monday.

A special reference table has been set up at the library by Mrs. Wilson to aid in costume and float suggestions.

Scout Fathers Join Sons for Troop Dinner

Commemorating the 50th anniversary of scouting, Troop 208, Boy Scouts of America, held their fathers with a supper at the Legion Home last night. Approximately 80 people attended including 27 fathers and 50 scouts. Lucien Kidd, chairman of the scout committee of the American Legion, sponsor of the troop, commented on the record of scouts saying that none had ever gotten into serious trouble. Scoutmaster John D. Rutherford was master of ceremonies and invited all fathers to attend the meetings and to come out and "rough it" with them once in a while, drawing laughs of laughter describing one occasion when he tried to sleep in a pop tent. A round of applause followed H. H. Shumack's request for a vote of thanks to Rutherford and the other leaders present for their fine work with the boys. The dinner was prepared by Mesdames John Rutherford, Lucien Kidd and Edward Fieric.

Riders Practice

The Lacy Y Rebel Riders completed their practice session Saturday with winner roast and barbecue at the Lacy Y Stables. The riders are scheduled to perform square dancing on horseback for Dr. Herma Firsching of Bad Nauheim, Germany, current Bay visitor.

Heart Specialist...

(Cont. from Page 1.) the end of this month and to return to Germany for the beginning of the battle season in mid-March.

Dr. Firsching visited relatives in Philadelphia, Pa., and Ft. Lauderdale, Fla., before coming to Bay St. Louis.

"Another interesting fact about Bad Nauheim," laughed Dr. Firsching, "was that Elvin Presley was stationed there during a large part of his time in Germany. Although I never saw him, there were always groups of teenagers there waiting for him."

"The people here in the United States could not have been more friendly and hospitable, and I am amazed at the size of the country," she commented. "I would really love to come here permanently. It's so quiet and peaceful here in Bay St. Louis... so different from the crowded conditions and strict regulations of Germany," she added.

"Dr. Firsching is extremely well known in Germany," Father May said, much to the doctor's embarrassment, "and was called to treat Cardinal Faulhaber, Archbishop of Munich, in his last illness. He took a special interest in her and blessed her hands and her work," he added as Dr. Firsching turned a bright rosy red.

Mrs. Mauffray...

Home Agent Notes

By MARCIA HUGHES

Buy now. Pay later. That's the easy and popular way lots of us do our shopping. But do we do any credit shopping to really know what it is costing us to "pay later"? We have a choice of several types of credit.

Charge accounts. There is no charge for this type of credit, except the mark-up on goods necessary to cover service costs.

Budget accounts. There is no charge for the budget, thrift or extended payment plan unless you take more time than that stated in the contract to pay. The contract may be for 90 days to six months. You pay 1 1/2 per cent a month on the unpaid balance where you take more time.

Revolving accounts. The store decides how much credit to allow you, based on your income rating. You may charge purchases as

long as you do not exceed the credit limit set by the store. You make set monthly payments on this account, usually one-sixth of the balance due. The interest rate is usually 1 1/2 per cent a month on the unpaid balance. This cost can run pretty high if you use the account to the limit each month. Installment Accounts. This is also known as "dealer credit" and "buying on time". You usually find installment credit costs expressed in carrying charges more often than interest rates. The true annual interest rate may be as much as 25 per cent. Bank Credit. The interest rate on bank credit is usually 8 per cent. It will be more if the bank discounts the loan at the time it is made or if you repay the loan in installments rather than a lump sum at the end of the loan period.

SAFETY MAKES SENSE

IN THE KITCHEN, a busy place that can easily be the most dangerous place in the home. Most kitchen accidents result from falls. What did you stand on the last time you reached for something on the top cabinet shelf? Many falls occur by people using chairs, boxes or other makeshifts for climbing. Water, grease, or foods spilled on the floor cause many accidents. Wipe them up immediately. Another cause of accidents are toys, throw rugs or other objects you might trip over. Sometimes it seems impossible to keep the floor clear of these, but a little time here might save a lot of pain and expense.

Cracking a coconut is a lot easier if you drain the coconut and heat it in the oven for 30 minutes at 350 degrees F. The shell will crack in several places and will crack all over when you tap it with a hammer. You can take the meat out of the shell a lot easier, too.

Seafood...

(Cont. from Page 1.) from the proposed fisheries commission bill was raised by three Wavelanders attending a hearing on the matter last Friday night at Pass Christian City Hall which drew some 150 persons from along the Mississippi coast.

Present from here were Mayor Garfield Ladner, Duane Bourgeois and Joseph Colson. One of the proposals aired at the Pass hearing calls for building a foul weather reef at the Bay of St. Louis with a sea breaker of a floating barrier type to be moored near the bridges. Another point calls for improvement and extension of oyster tonging in the area along the beach toward Bayou Caddy and to the Louisiana line.

Bourgeois questioned closely what protection could be provided for tonging reefs off Waveland. William Simpson Jr. served as master of ceremonies for the meeting and his brother, James, presented an outline of the proposed bill, explaining how it had been revised again and again in order to be as comprehensive and satisfactory as possible.

Howard Simmons Answers Ouster Petition

Last Jan. 13 a delegation of some dozen farmers from Beats 2, 3 and 4 petitioned the county board of supervisors not to reappoint Howard F. Simmons as county agent. At the suggestion of board President R. C. Hubbard Jr., Simmons was retained for 30 days. Simmons subsequently formally resigned, and O. O. Swords was appointed county agent effective March 1.

In fairness to Simmons the Echo here prints a letter dated Jan. 15, 1960, from Simmons to L. M. Frierson, Beat 2 supervisor, in which he makes answer to the petition seeking his ouster.

Dear Mr. Frierson:

I want to take this opportunity to answer and review with you some of the points brought out in the petition filed with the board of supervisors at their Jan. 13 meeting wherein the petition asks that careful consideration be given in appointing a County Agricultural Agent and further stated that there was some dissatisfaction with my work.

Their first statement is incompetence in the Management of the County Agent's office. The County Agricultural Agent is in charge of the office which consists of the associate county agent (where there is one), the assistant county agent and secretary. To say that there is incompetence on the part of the County Agent is to say that the entire office set-up is incompetent in view of the fact that the county is in charge of the overall work and responsible for their guidance.

Through coordinated efforts of these in the County Agent's office the program has gone forward from year to year growing in stride with tremendous progress having been made.

The second paragraph states that I, as County Agent failed to adequately promote Agricultural Extension work in this area. Hancock County is noted state wide for the progress it has made in the last 12 years even receiving National recognition at various times.

P-TA Ups Fund For Decorating School Floats

The Bay Central Parent-teacher Association voted Tuesday night to increase the money allocated schools for decorating floats in the Mardi Gras parade from \$15 to \$20. Benefiting will be Webb, Christ Day, Waveland and Bay High Schools.

Acting on a request from the Junior Chamber of Commerce, the P-TA agreed to sign a petition protesting the type of motion pictures shown at a drive-in theater in the county.

The Rev. A. M. Ellison Jr. of Main Street Methodist Church led the devotion. The program, "This is Your Life," was presented by Miss Shirley Gregory's ninth grade class. Mr. Breland's eighth graders won the attendance prize and the door prize went to Mrs. Christine Birch. Sixth grade mothers served refreshments later.

Chancery Court Opens Monday

Eighteen triable cases and 31 domestic cases are scheduled to come before District 8 Chancery Court when the February term of Hancock County Chancery Court begins at 9 a.m. Monday.

Additional cases will probably be added to the docket.

William Gaudet, after completing four and a half years in the Navy, being discharged at Charleston, S. C.

William Gaudet left Wednesday on a four or five week trip to Mexico and Central America.

The third paragraph states that to the personal knowledge of those who signed the petition I failed to cooperate harmoniously with past and present personnel. We as Extension workers are under the Civil Service retirement system receiving most of our salary from state and federal sources. This requires that we recognize federal requirements first, as well as satisfying the people of the individual county. If you don't think this is a problem check further into it. We have certain rules and regulations that our personnel must follow and one is that nothing is to go out of the office which does not tend to give good working relationship and complete harmony. The County Agent, as the administrator is in complete charge of the personnel working in his office. The state and federal agencies look to him to run this office according to their requirements. Conflicts of opinion can and do develop, particularly when there are young men who lack experience and years of maturity. When this situation arises, the County Agent must be recognized as the person in final authority. This is true in all organizations and all walks of life.

With reference to their charge of not cooperating with other departments I am at a complete loss to know why they made that statement and then further down stated that I have attempted to dominate all the other agencies. Again, Hancock County is noted throughout Mississippi for its agricultural program and the excellent cooperation that exists between all the agricultural agencies. Only in a situation like this could such complete programs be made.

The next paragraph refers to political activities. Not a person in Hancock County can face me and truthfully say that I made any statement whatsoever for or against any person in last summer's election. In fact, in order to stay out of the situation I did not attend a single political rally in Hancock County or elsewhere.

The large paragraph three-fourths of the way down on the page refers to my refusing to be of any assistance to approximately eighty dairymen. Last summer a small group asked for a meeting which was held in my office with the following present: Karl Goss, R. C. Knowlton, Paul Harrel and A. E. Smith. This group wanted me to help them swing the members from the Gulf Coast Dairymen's Association to the Mississippi Milk Producers Association. I told this group at that time that there were three recognized and operating dairy associations with members in Hancock County and that it was not our place to work for or against any organization at the cost of another.

Regarding the proposed milk war on the Gulf Coast, - this was at that time and later proved to be pure gossip distributed by one of the organizations. It was reported that this organization was coming into the Gulf Coast area with 30¢ per half gallon carton milk. I worked out on paper and showed these four gentlemen at that meeting where at that time no organization could do that under the Gulf Coast area. I do not say this can be done in the future but it could not and was not done as they expected last summer.

The petition further stated that they objected to the County Agent receiving recognition for work done by others. We do not look upon the agricultural program of Hancock County as four individual agencies but as an overall agricultural program with the County Agent required by law to take the leadership. There will never be a program anywhere as long as each organization attempts to work separately and without fully cooperating with other agencies. I do not feel that

the County Agent has taken any publicity for any work which has hurt anyone else. In fact you have read several news articles in the Sea Coast Echo in the last year that I have helped write and on which my name did not appear. (EDITOR'S NOTE: Mr. Simmons has frequently assisted a reporter from this paper in gathering features stories dealing with farms, farming and the like, but he would be the first to state that he had nothing to do with the actual writing of these stories nor in making the decisions to use them.) One of these news stories was about Karl Goss, his dairy and his farm. The photographer from the Sea Coast Echo took the pictures and I thought it was a very good and complimentary story. We tried to run these stories about every two months and will continue to do so as long as I am in the county. I do not feel that this little click

working against me is a representative group of the entire county. This is more of a situation where the ball was started rolling at last summer's election with practically a new slate of county officials elected. There have been rumors since that a small click would not be satisfied until every person in Hancock County was fired.

Before Mr. Stone came to Hancock County there was a turn over of County Agents every two years or less. Politics were in the program and the men were not free to work and do their best. Mr. Stone was here during the last of the war years and left as soon as he could get away. I came here 12 years ago and during that time the agricultural agencies have been as completely free of politics as possible and these years will go down for a long time to come as a great period of programs in the agricultural field of the county.

This adverse publicity is already hurting the agricultural program. The firing of personnel without cause other than satisfy the wishes of a small group, does not help anybody or any organization. Hancock County and the agricultural program is bigger than any individual or any small group.

I hope you will consider this when you make your decisions. Yours very truly, HOWARD F. SIMMONS County Agent cc: Mr. Claiborne Ladner, Chancery Clerk Bay St. Louis, Mississippi

Comprehensive and Convenient

With the completion and dedication of the new addition to our Gulfport building, we have as comprehensive banking quarters as modern construction techniques can provide.

Constantly expanding to keep pace with the commercial and industrial growth of the Mississippi Gulf Coast, and to meet the financial needs of an aggressive community, we have striven to furnish the most efficient facilities possible and to keep improving our service.

In addition to the enlargement of our central office at Gulfport, we have brought banking closer to our customers by maintaining six strategic locations for their convenience. We have extended our operation in an effort to make banking easier for you. With six offices, with drive-in banking accommodations, or added parking space, we have almost delivered banking to you, to become your nextdoor neighbor.

And with all these comprehensive facilities and conveniences, we also consistently strive to strengthen

that personal relationship which has so long identified our efforts.

For sixty years now, through all kinds of financial weather, fair and foul, Hancock Bank has served the people of the Mississippi Coast as effectively as it knows how. If in these additions to facilitate and accommodate our friends and neighbors, we can strengthen our financial and friendly ties and join with you in making an even larger contribution to the development of this promising area, these are indeed happy days for us.

We invite you to use our banking facilities freely, to take the friction out of finance. There is so much we can do, together in these piping, progressive times to build this Gulf Coast Country.

Let us never forget that business reciprocity is the stuff out of which a people produces prosperity.

We Thrive On Thrift

LEGAL NOTICES

Ordinance No. 124
AN ORDINANCE PROHIBITING DOGS FROM RUNNING AT LARGE WITHIN THE LIMITS OF THE TOWN OF WAVELAND.
BE IT ORDAINED by the Mayor and Board of Aldermen of the Town of Waveland, that the following ordinance be adopted:

SECTION 1: That it shall be unlawful for any unmuzzled dog to run at large, unaccompanied by its owner, master or any other person, within the limits of the Town of Waveland. Any unmuzzled dog found running at large in violation of this act may be killed by the Town Marshal, or any other officer delegated by the Town of Waveland to act in such matters.

SECTION 2: That, in addition to being muzzled, no dog shall be permitted to run at large within the limits of the Town of Waveland, unless such dog has proper identification indicating that such dog has been inoculated in accordance with Section 6815 of Mississippi Code of 1942, and all amendments thereto.

SECTION 3: That any dog so found running at large within the limits of the Town of Waveland, muzzled, but without proper identification of vaccination as set out hereinabove, shall be taken up and impounded in the pound provided therefor for a period of five (5) days, during which five days, the owner of the dog or dogs can demand the release of same upon paying \$1.00 per day for the boarding of said animal. Upon failure of the owner or anyone else to bail the dog out within the five days, the Town of Waveland may dispose of said animal.

SECTION 4: That all female dogs, whether muzzled or not, shall not be allowed to run at large within the limits of the Town of Waveland while said animal is in season or heat. Any female dog covered under this provision found running at large while in such condition shall be taken up and impounded in the pound provided therefor for a period of five (5) days, during which five days, the owner of the dog or dogs can demand the release of same upon paying \$1.00 per day for the boarding of said animal. Upon failure of the owner or anyone else to bail the dog out within the five days, the Town of Waveland may dispose of said animal.

SECTION 5: This ordinance shall become effective on the 15th day of March, 1960.
An ordinance passed on July 10, 1959, by the Town of Waveland relating to dogs running at large in the limits of the Town of Waveland and any other ordinances relating to same, he and the same are hereby repealed.

The above and foregoing ordinance having been read and considered, action by section as a public meeting of the governing authorities of the Town of Waveland held on the 2nd day of February, A. D., 1960, and the vote on the final passage was as follows:
Those voting yes: Albert N. Grass, Tony Rodriguez, Dominic Bonier.
Those voting no: None.

Adopted by the Mayor and Board of Aldermen on the 2nd day of February, A. D., 1960.

GREEN ANNIVERSARY CELEBRATION — A host of relatives of Mr. and Mrs. Ben Green surrounded them at the celebration of their 50th wedding anniversary Sunday afternoon at the Lakeshore Civic Center. There were more than 400 persons who called during the afternoon, presenting the couple with a large assortment of handsome gifts. Later in the evening, music for dancing was provided by Vic Green, Owen Bounds, Dolph Ladner, Bobby Necaise and Ivy Ladner.

Laura Opens Theater's 15th Season

The mystery-drama Laura has been selected as the opening presentation for the Bay St. Louis Little Theater's 15th season. Mrs. John Hubbard, chairman of production, has announced. It is scheduled for three consecutive nights beginning Thursday, March 24.

Director will be John Kovace who was affiliated with the Little Theater in Cleveland, O., before moving South and has appeared in several plays locally, including Lo and Behold and Brighten the Corner.

Theater directors currently are conducting a mail campaign for membership which will be followed by personal contact in a effort to raise membership to a record high. Persons wishing to join are asked to mail checks to the Little Theater at P. O. Box 342, Bay St. Louis. Membership is \$5 for adults and \$2.50 for juniors for the four plays to be presented this year.

Baptism Held
Darnell Russell was baptized at First Baptist Church Sunday, Jan. 31 during the regular evening service.

MISS MARY ANN MAYER
Miss Mayer Is Engaged

Miss Mary Ann Mayer, daughter of Mrs. Henry Mayer and the late Mr. Mayer, of Sheboygan, Wis., is engaged to Larry J. Michael, son of M/Sgt. and Mrs. J. Michael of Grand Haven, Mich. An early spring wedding is planned.

Miss Mayer is well known here, as she resided with her sister-in-law, Mrs. Catherine Mayer and attended Bay High School in her sophomore year. She is a 1959 graduate of North Central High School in Sheboygan.

Cedar Point 4-H Club Met Tuesday

The Cedar Point 4-H Club met Tuesday afternoon at the home of Mrs. W. P. Henderson, a dual leader. Kathleen Schaefer presided and Millie Ling and Linda Merritt presented a demonstration on selecting good pictures.

Mrs. Joe Hughes, home agent, distributed canned fruit and vegetable sheets to judge next month. Plans for the 4-H rally in March and the country community day in April were discussed.

Legion Auxiliary Plans Full Calendar of Events

Certificates of merit were presented to the American Legion auxiliary and its junior group by Mrs. Theo Tudury, county March of Dimes chairman, at the auxiliary's monthly meeting Monday. She expressed appreciation to the members for their assistance with the Blue Crutch sale and Mothers March.

Legion Essay Theme is Told

What Does the United States Flag Mean to Me will be the theme for the annual Americanism essay contest sponsored by the American Legion auxiliary. It was announced this week.

The contest is open to all 12th grade students in Hancock County and essays must be submitted to the 12th grade teachers or to the auxiliary chairman, Mrs. Henry Prevou, Box 48, Bay St. Louis, before April 1.

An Americanism medal will be awarded to the winner by the local unit and the winning essay entered in the state contest, winner of which will get a \$25 savings bond with a \$10 cash award for second place.

Marriage Licenses

An application for a marriage license of local interest was received this week by the office of Circuit Clerk from Edward Carusel Alker of Clermont Harbor and Jeanne Ann Henkemeyer of New Orleans.

Mrs. Gilbert Gaynes, auxiliary president, announced that \$241.96 was raised at the spaghetti supper last Saturday which will be used to defray the expense of sending delegates to Girls' State in June and expressed appreciation for those who assisted with it.

A number of programs and events in the near future were scheduled, including the Americanism essay contest, collection of used clothing for the Save The Children Federation, the Crusade for Freedom drive which was set for Saturday, Feb. 20, and a state coupon project.

Monday, Feb. 29, was selected as the date for the auxiliary's annual masquerade ball at the Legion Home.

Mrs. Robert Givens won the attendance prize and Mesdames Luke Benigno and Gordon Romannoff, hostesses, served refreshments afterwards.

LOOK AT THE LOWER PRICES

List prices as much as \$76.05 lower on popular models with popular equipment

The '60 Chevrolet models most people buy, equipped the way most people want them, are actually priced lower than last year's models. This two-tone Bel Air V8 sedan, for example—with Turbochrome, push-button radio and de luxe heater—lists for a whole \$76.05 less! Prices are lower for all comparable V8 models throughout the line. Also for all comparable 6-cylinder models with Powerglide. Yet Chevy's loaded with more of the things that put pleasure into owning a car. (Just look at the list!) It's the greatest year yet to get into a Chevy!

Big brakes for quicker, surer stops. Rivetless bonded linings mean they last longer, too.

More room to relax in. Chevy sedans offer roomier seating than any car in their class. Lower, narrower transmission tunnel means more foot room.

Only full wraparound windshield among the leading low-priced cars.

Electric windshield wipers keep sweeping even when you speed up to pass.

Vent windows crank open and closed. So much simpler than fighting those tricky little catches.

Keyless locking of all doors. Quick and easy. The same key opens door, glovebox, trunk and starts the car.

Economy Turbo-Fire V8. Or how to get up to 10% more miles per gallon of regular and still have lots of "git."

Thrifty 6 in any full-size car. It's the '60 version of the engine that got 22.38 miles per gallon in the 1959 Mobilgas Economy Run.

Widest choice of power teams. 24 engine-transmission teams in all, with output up to 335 h.p.

A trunk that's made for long trips with up to 22.5% more actual luggage space. Sill's lower for easier loading.

Fisher Body craftsmanship. Look at the finish, the fabrics, the detail work. You'll see the difference.

Drive it—it's fun-tastic! See your local authorized Chevrolet dealer for fast delivery, favorable deals.

Wood Products Is Topic of Speaker

Roger S. Sutton, wood technologist of the Masonite Corp. of New Orleans, spoke to North Central science students Monday afternoon in conjunction with the school's participation in the National Science Foundation speaker series.

Stressing the scientific technology of the manufacture of wood products, Sutton told of the City School Board.

(Cont. from Page 1.) High School and notice of the election must be posted in three public places. Pupils in each of the system's schools must be reminded of the election three separate times during the preceding week, according to state law, Favre said.

Final action on the proposed construction of an access road on the North Bay Elementary School property was postponed until engineering estimates can be received on expenses involved on possible fill needed in a low area of the property.

Surveyor Henry Chapman, who owns property adjacent to the school land and has agreed to cooperate with trustees in giving land for the proposed roadway, said he will confer with the city fathers on the road after reviewing a plat of the property with the board.

President Alliston noted the

uses and properties of wood. He noted a common goal among technologists to strive for a broader appreciation of scientific aspects in industry.

Clement R. Bontemps Post 139, American Legion, meets at 8 p.m. today.

system did not have funds for large construction projects but if the project is feasible, something could possibly be worked out with the city and county board of supervisors since the North Bay property extends beyond the city corporate lines.

The trustees, with the exception of Maurice Artigues who was absent, approved the renewal of yearly contracts with Donald Caldwell, high school principal, and E. G. Harriel, elementary principal, on the recommendation of Superintendent J. D. McCullough. The new contracts were up for renewal Feb. 15 and are for the 1960-61 school term.

The addition of two bulletin boards for the North Bay school cafeteria and the kitchen were approved. Formal change orders will be signed at the next regular meeting.

January statements were approved and a claim docket method of statement presentation initiated to save time at the meetings.

Tigers Squeeze Hawks

North Central and Bay High resumed their basketball feud last weekend, the Hawks and Hawkettes winning their latest court battles 81-54 and 49-47. Interest was centered in the girls' game Saturday, North Central got off to a 17-13 lead in the first period but the Tigerettes scratched up a 16-7 rally in the second to lead at halftime 29-24. The Hawkettes came back in the third to take the lead 39-35 and the Tigerettes wound up at the final buzzer one field goal short of a tie.

Janell Ladner hit for 22 for North Central, Bonnie Peterson 17, Bertie Cameron 8 and Ella Mae Ladner 2. For Bay High Virginia Brendal got 23, Carol Bourgeois 15, Susie Doring 6 and Arlene Ladner 4.

Douglas Necaise got 34 for North Central in the boys game, Barney 20, McCoy Peterson 7, Berlin 4, Donald Ray and Eulice Ladner 4.

For Bay High Tommy Godwin scored 14, Woody Alliston 11, Ronnie Peterson, Paul Miller and Gregory Necaise 9.

New Wash Business Slated in Waveland

Mr. and Mrs. John A. Weathers have purchased the Coleman Avenue, Waveland, building that until recently was occupied by Beachview Restaurant, where they expect to open a coin-operated clothes washing and drying business.

Exact date of the new business' opening is not yet known, but Weathers said he expects to be open within one month with ten washers and four dryers.

Baby Jays, Bay High Lose to N. Central

North Central, SJA's Baby Jays, Gulfview's girls, and Bay High's boys came away with the honors in the Hancock County Elementary School Basketball Tournament last week at the Gulfview School gym.

North Central won the boys championship 50 to 31 over Bay High's entry and won the girls crown 38 to 28 from the Baby Jays, while Gulfview's girls won the sportsmanship trophy awarded Coast Electric Assn.

Selected for the all-county boys team were Tommy Smith, Gulfview; Berlin and Eugene Ladner, North Central; Walter Bliss, Logtown and Leroy Luke, Bay High.

The all-county girls team was composed of Maria Peterson, Gulfview; Mary Artigues, S. J. A.; Sue Porter, Christ Episcopal; Darnell Russell, Bay High; Owen Farve and Joyce Smith, North Central.

A disastrous second period proved to be the undoing of St. Joseph Academy in the girls' finals against North Central when Joyce Smith and Ladette Palmer found the net and took the quarter 12-5. Joyce was high scorer with 17, Ladette got 13 and Gwen Favre 4. For St. Joseph, Mary Artigues got 16, Jane Ferry 9, Susie Rhodes 2 and Melva Luke 1.

North Central's boys amassed a 27-16 halftime lead in the finals and while Bay High staged a late rally to lead in the final frame 8-5, they couldn't get close to a tying score. Eugene Ladner was high for North Central with 23, Berlin Necaise got 13 and Bobby Ray Necaise 4. For Bay High Joseph Miller got 12, Forrest Bourgeois 7 and Michael Lee 3.

Both Gulfview teams reached the semi-finals and were eliminated by the strong North Central teams, the boys being on the short end of a 52-22 score and the girls 45-20. The Hawks took

Bay High Tourney Receipts Exceed Take for Last Year

Gross ticket receipts for the Bay High Invitational basketball tournament totaled \$1,150.01, approximately \$40 more than received last year, according to Superintendent J. D. McCullough.

Expenditures totaled \$363.40 which included payments to officials, clock operator, scorer, janitor and for trophies and awards. Additional five per cent payments were made to the state athletic association which left \$692.91 to be divided between the host team and participating teams.

As host, Bay High received \$346.45 while the remainder went to the participating schools on the basis of travel expenditures and number of games played. Payments were St. Stanislaus, \$8.24; Pass Christian, \$9.83; St. Joseph School, \$11.42; Bay High \$20.60; Carriere, \$50.16; Poplarville, \$24.14; Savannah, \$37.80; North Central, \$39.69; Long Beach, \$14.60; Ocean Springs, \$27.32; McNeill, \$22.55; Slidell, \$27.32; St. Joseph Academy, \$16.48; and Harrison Central, \$36.21.

Coast Electric To Revise Billing

Coast Electric Assn. is changing its billing procedure starting March 1. After that date members will be billed on a meter reading ending in the zero immediately less than the reading reported, with the old kilowatt hours caught up in any final billing.

The association's management expects to cut the costs of billing by thus reducing the time taken to calculate bills, since, except on a final billing, the last digit of the previous month's and current meter reading will both be zero.

NEW SOFTBALL PRESIDENT — Bert Stieffel, right, was elected president of the Hancock County Softball League Tuesday night. Also shown in Mrs. Theo Tudury, chairman of the Parks and Playground Commission, and Lucien Kidd, first publicity director of the league.

Bert Stieffel Elected Prexy Of Ball League

Bert Stieffel was elected president of the Hancock County Softball League Tuesday night at a meeting of league members in the Athletic Room of the Knock Knock Club. Birch Bankston was elected vice president and Charles Carter re-elected secretary-treasurer. Lucien Kidd was voted to be newly created office of publicity director. Retiring officers are president Dick Merritt and vice president Frank Trapani.

Mrs. Theo Tudury, chairman of the Parks and Playground Commission, announced that new bleachers will be ready for the opening of the season May 16. Buddy Pitalo, Red Reinken and Tom Ladner were named to head the field committee.

The league is composed of ten teams: Trapani's, Southern, Davis, TV, St. Louis and Soc. C. and S. University, Coast Electric, Power, Area, Bankston's, and the Youth Center. A schedule will be drawn up at the meeting of the league members. The league will begin play in May.

Weakened Hawks Lose To Gulfport

North Central lost a pair of rough and tumble games Monday to the Gulfport Commodores in the Hawks' gym, the varsity losing 70-61 and the B squad 49-37. Central's mainstay, Douglas Necaise, got caught between two Commodores during the fracas and his head hit the floor causing a bad gash above the eye. He was taken to the Hancock General Hospital where five stitches were necessary and was allowed to go home but coach James Johnson said Tuesday he will be benched until next week. John and Berlin Necaise and Calvin Shaw were out because of flu. McCoy Peterson fouled out in the third which added up to a weekend Hawk quiver but they managed to hold the Commodores fairly even except for the third period, losing by 8 points. They led in the final frame by 1. Barney Necaise was high with 18, Donald got 16, Douglas 15 in a little more than two quarters, Wayne 9 and A. W. Ladner 2. Harry Johnston was high for Gulfport with 21 and Kim Amann got 17. Score by quarters: North C. 20 14 14 13 - 61 Gulfport 21 15 22 12 - 70 Donald Ray Necaise was high for the B-s with 11. Oil, Gas Drilling In State at Record

According to recent reports, the heaviest drilling for oil and gas in history of Mississippi is now taking place. In November, about 25 wildcat tests were in progress and nearly 40 field wells being drilled. It is predicted that the total number of wells drilled this year will be larger in number than the ones drilled last year.
